*Five people are dead in the swimming pool of a high end resort hotel. Only one of them, a fame-hungry politician, is the suspected target. Three people are dead at a roof party on a high rise luxury building. The target is unidentifiable. The killer's calling card is a single black point on a blank. Lila Orileda is hired to find out who killed one of the random targets as the police run out of viable clues and suspects.*

*To capture the aspects for the differentiating x coordination, foundations must be laid for the Zero Ordinate.*

Earning the right of passage into Clover Street is the tip of the iceberg. To earn the privilege to meet the Wizard, Darin must go through a series of tests to meet the demand of the ionospheric war Clover Street is waging against earth. The most important and deadliest of such tests is voyaging the valley of Death Wire Roses

## **Author's Note**

If this work connects with you intellectually, spiritually, emotionally, or in any other way personal, it is free. If it doesn't, and you're rather of a different preference and won't ever come back to my works. It is free as well. Graces. I have never sought to run the world or rule it. Not my thing. I do seek to connect with humanity and make cross generational differences with practical, emotional and spiritual intelligence—matters connecting humanity and saving lives like mine against the odds life brings that I do know about intimately. Works are usually accounts of life, nature, science, politics and more in experiential reality. It is a privilege to be alive despite what I have been through. And I don't intend to take this deserved privilege lightly.

The work as well as others like it can be found on my website available free at [www.edewlogics.com](http://www.edewlogics.com). To support free works like this and others available on my site, [please support the free books for life cause](#). Thank you.

## *The graces of life and times to come*

There are devotions that must be asserted loudly for in their solemn unspoken graces are symbolic languages for the motivational vigor and enlivening frame of mind of spirituality. The spirit of a body is the guide to its worthwhile graces, the enthusiastic enterprising agent of personal distinction which reconciles with the distinction of being. I must reconcile with the facts of life. Some chains in the search for justice may not be broken merely by peace and patience for that very justice. There is a spiritual recipe for life which must abide by the very rules of spirituality I'm certain provides a distinct understanding of concepts. It is born out of personal strife and the constant deliberation born from strife. I cannot merely reconcile with the wicked of heart. The wicked cannot be reconciled. And spirituality propels action expressed or otherwise tacit.

There is a time for privacy and a time for revelation in the science that masters natural reality. There is grace for the time which in the spirit of decency must know reputable and reportable fruition. For if all a system can be is wicked others, then your wickedness must attend the system in value. Wickedness must be one with the system, reckoning systemic accord in union. There is no way to grace without enduring the strife ridden graceful pathway. And there is no way to achieve such graces without personal reality and experience. Therefore, a reckoning. The wicked drive pleasure from the suffering of others. It is insane that the most

insightful is the most insane so wickedness rationalizes as a nonhuman animal devoid of graceful actions or reckoning

The spirit of grace abides with me not by any means material or materialistic and I send this spirit into the world with the utmost and subtlest of spiritual strength. My innocence abides with me in my work and nearly grave sacrifices I have made to ensure my good dealings within the limit of its terms. My spiritual strength must carry me forward. I cannot be onto myself and my condition, ignorant.

There is great foulness in politics. There is no one worthy of trust. None of worthy impulses for graceful returns. Their greatness is as casualties to their vanities and lack of amiable humanity. Whatever lacks the return of graces must know catastrophe in waiting. May everything good and decent in the world afford catastrophe for those who plague my path. There is no grace for fidelity in silence. Betrayal, speaking loudly, persistently and infinitely attempts silence. There is no grace for those who abuse their trust. And within the unpredictable means and affirmations of the spirituality I abide by, may the graceless be the symptoms and symbols of old value dying without any graceful essence or worth.

May the turn of my back against wickedness be the beginning of untold miseries. The mysteries of wickedness have no genius worthy of true grace. The quality of my life is embedded in the spiritual. This inner harmony is the only beauty I know. I have suffered for it. I harm no one in spirituality and in kind. And I seek nothing that doesn't come to me with true graces. I clothe myself not in emblems of materialism but in the graces of humanity and spirituality. I share my life with those who seek the graces of my mind and life. Those who plague my life with crimes

and undeserved wickedness shall compute their power infinitesimally into the catastrophes of life and times to come.
