ZHOURCKH: THE COMEDIC ADVENTURES VOLUME I

To further incentivize the need for justice so the Bluesie-Jazz comedy festival is realized in reasonable time(necessitating a forensic audit), I am offering ZHOURCKH: THE COMEDIC ADVENTURES VOLUME I as a print only receipt book. Your support means the world to me. If you met me at the get together(because only those who care in the least with their support should criticize the other comedian, me) and you show me a verifiable \$50 and over support of the free books for life cause, this print book is yours directly from me. I intend to show love to those who show me love. This too is important to me. This book will not be made available online in ebook or print. Your receipts mean the world, freedom and justice to me. Justice is important to me. I will not stop working hard towards achieving it. May you be blessed in

more ways than I can offer for participating in my cause for justice. I am excited to write the book as much as I am about my own jokes as this differentiating x black woman. So, my work here is to write two sets of comedic acts, one of which I will personally perform. I live for love, truth, knowledge, wisdom and natural reality. Thanks for being a part of it:

Author's Note

If this work connects with you intellectually, spiritually, emotionally, or in any other way personal, it is free. If it doesn't, and you're rather of a different preference and won't ever come back to my works. It is free as well. Graces. I have never sought to run the world or rule it. Not my thing. I do seek to connect with humanity and make cross generational differences with practical, emotional and spiritual intelligence—matters connecting humanity and saving lives like mine against the odds life brings that I do know about intimately. Works are usually accounts of life, nature, science, politics and more in experiential reality. It is a privilege to be alive despite what I have been through. And I don't intend to take this deserved privilege lightly.

The work as well as others like it can be found on my website available free at www.edewlogics.com. To support free works like this and others available on my site, [please support the free books for life cause](#). Thank you.

The Devil and Angels wear Pride, Prada and Balenciaga

My readers, as a differentiating x black woman who knows and has the capability of seeing and living in the natural world, I know that blue can never be gotten without black and that red is bland relative to it. This natural world, the world of the differentiating x black woman is also a true and dignified scientific world. So I look around here and I see an artificial shell projected without any essential scientific component. I don't go stalking and harassing people. I don't harass people for their lack of scientific and natural aptitude. Quite the opposite.

I do sometimes feel I have superior sight and insight. From this position I must tell you I hate being stalked by ignorant people. Why do they do it? A Karen was talking nonsense to me recently. And I felt I had wasted a couple of minutes of my life. It's not a craved feeling. Quite the opposite. I don't have fans. I don't crave fans. I want people with the same interest and greater interest than mine, who seek to achieve great things and share great exciting and indulging moments of their life with me at the Bluesie-Jazz Comedy Fest or RPFM Comedy Fest with clusters of justice receipts clasped in their hands. Their liveliness, acute awareness of their humanity, fun and excitement is my responsibility. I will ensure it. It starts with knowing and loving the music. I want intellectually inclined, emotionally intelligent life enthusiasts who share my interests and want to share meaningful and exciting moments of their lives with me.

It is quite certain for me; the devil and the angels, both reflectioneers, wear Pride, Prada and Balenciaga. Especially the angel of harm, who pretends to be something other. Karens mainly feed their lives and money to the likes of the Kardashians, who, like them, also wear Pride, Prada and Balenciaga. And I hate to think of how easily superficial people cuddle envy and jealousy, which I neither possess nor engage, as I have never been that kind. Something troubles me more. If they envy the Kardashians, which I can't imagine for the very life of me, as a person; they can just go buy more Prada, Balenciaga, Versace and such. They can't buy anything if they envy me. They certainly can't admire being homeless. They don't wanna be that. Then this is troubling. And whoever stole my life, labor and liberty should either die, or

Justice is a great interest and passion of mine, my readers. And I watched a true crime event where in Australia a Caucasian woman was raped, beaten severely but left alive in a park. No one helped because they thought she was a homeless woman sleeping, according to them. Someone eventually helped but it was too late. She died. And I cried deeply despite the disparities. She was not homeless and didn't survive. It is known that homeless women are not attractive nor do they smell good. Isn't it? Why try? I hate being stalked. I can't imagine the compulsion. But clearly, I don't deserve it.
