## **ZHOURCKH: THE COMEDIC ADVENTURES VOLUME I**

To further incentivize the need for justice so the Bluesie-Jazz comedy festival is realized in reasonable time(necessitating a forensic audit), I am offering ZHOURCKH: THE COMEDIC ADVENTURES VOLUME I as a print only receipt book. Your support means the world to me. If you met me at the get together(because only those who care in the least with their support should criticize the other comedian, me) and you show me a verifiable \$50 and over support of the free books for life cause, this print book is yours directly from me. I intend to show love to those who show me love. This too is important to me. This book will not be made available online in ebook or print. Your receipts mean the world, freedom and justice to me. Justice is important to me. I will not stop working hard towards achieving it. May you be blessed in

more ways than I can offer for participating in my cause for justice. I am excited to write the book as much as I am about my own jokes as this differentiating x black woman. So, my work here is to write two sets of comedic acts, one of which I will personally perform. I live for love, truth, knowledge, wisdom and natural reality. Thanks for being a part of it:

## **Author's Note**

If this work connects with you intellectually, spiritually, emotionally, or in any other way personal, it is free. If it doesn't, and you're rather of a different preference and won't ever come back to my works. It is free as well. Graces. I have never sought to run the world or rule it. Not my thing. I do seek to connect with humanity and make cross generational differences with practical, emotional and spiritual intelligence—matters connecting humanity and saving lives like mine against the odds life brings that I do know about intimately. Works are usually accounts of life, nature, science, politics and more in experiential reality. It is a privilege to be alive despite what I have been through. And I don't intend to take this deserved privilege lightly.

The work as well as others like it can be found on my website available free at [www.edewlogics.com](http://www.edewlogics.com). To support free works like this and others available on my site, [please support the free books for life cause](#). Thank you.

## *The status systems of ill-education?*

There is this great dysfunction in the artefactual systemic institutions of education that portends that the status system is a direct reflection of intellection. Everywhere there is a grave lack of intuition. Everywhere there is grave malediction. There must be.

The human pride is a fugitive; perpetually running away from its humanity, away from the reservation of wisdom, towards the pre-decaying arms of superficialities. It abolishes itself in the name of supremacy in whose arms it can never redeem itself. It seeks to change the truth through the perfect eye of blindness. It is demented.

All facts in nature are an oracle to distinctions in individuality. Nature is the counselor that never reveals itself in our acts—the author of our instincts. There is no power of de-characterization except that in deceiving others. No human can articulate that which is un-belonging.

I articulate my truth standing on just causes. Every injustice against my being must render malediction.

There is no true greatness that can be forged except that from trivial minds to trivial minds—easily fed, easily felt. True worth does not walk the corridors of trivialities. It is stamped and weighed in the measures of spiritual strength, truth and dignity. On this basis, pride is a dejected feature. It is a stranger in a potent pool that cannot do better than others, but must do what it does for self and others without toxically prideful associations.

Great prejudices stem from the Great corridors of Great toxic pride

Greatness is what must stand in the endeavoring of painful arcs of woe and persecutions seeking to derail its path. It is in the turbulent trials of one spiritual stronghold after another in the absence of frivolous acts and pretensions. It is not a celebration but a solemn state of solemn expression.

Pride is not an author, not a creator. It does nothing, achieves nothing but creates grand illusions over the tangible. Its most prominent asset is in seeking to destroy others. As a grand illusion, there is no concealment for it. The artefactual systemic institutions are a superimposition of grand illusions over grander illusions. It can only fall on its own head.

Intuition is a human premise. Intellection belongs to individuality. Not to institutions.
